What makes EUC so special? Why do staff from 30 different countries attend?

The answer is simple: the powerful presence of the Holy Spirit! God delighted in this camp and poured out His blessing upon it. Even now that camp is over, the HDS teachers are still overflowing with the Holy Spirit and the joy of EUC26. We are overwhelmed by the incredible changes we have seen in our students and encouraged by the wonderful feedback from their parents. All glory to God!
